AiPorbo | CLOUD COST INTELLIGENCE

Clear scope. Transparent deliverables. No inflated savings claims.

PILOT PRICING

Introductory pilot packages

USD pricing for the pilot phase. Final scope and fees are agreed in writing before work begins.

BASIC AWS BILLING AUDIT

$99 One-time

1 billing dataset; cost summary; daily/monthly trends; anomaly screening; top cost drivers; prioritized findings; PDF report; short findings walkthrough.

DETAILED OPTIMIZATION ASSESSMENT

$299 One-time

Everything in Basic, plus expert review of customer-supplied utilization/configuration evidence, deeper investigation, prioritized action plan and a technical review call.

RECURRING COST MONITORING

$79 / month Pilot subscription

Monthly customer-provided CSV review, trend comparison, noteworthy spending changes and a monthly summary PDF. Automated collection, real-time alerts and AWS account integration are NOT included.

SCOPE & COMMERCIAL NOTES

- Recommendations are investigation leads, not guaranteed savings; no credentials needed for Basic.
- Implementation, taxes, multiple datasets and other work are separately scoped; pilot prices may change.
